Good Burger: A Good Movie!

Kenan Thompson and Kel Mitchell, stars of the popular Nickelodeon series All That, confront the ogre of faceless corporate tyranny and have fun doing it in this comedy for young people. Ed (Mitchell) is a teenager who lives for his job at Good Burger, a small but friendly neighborhood hamburger stand, while his buddy Dexter (Thompson) also works

there, but lack Ed's single-minded devotion to his job - he's there because he accidentally destroyed the car of his teacher Mr. Wheat (Sinbad) and has to raise money to pay the damages. When Mondo Burger, a mammoth fast-foot chain, opens across the street, it looks like Good Burger is history, until Ed formulates a secret sauce that brings hundreds of new customers to their door. However, the monomaniacal manager of Mondo Burger, Kurt (Jan Schweiterman), is determined to get his hands on the sauce and put Good Burger out of business.
